Dear Parents,

I hope you are enjoying your summer. Attached you will find our school's tentative proposal for the upcoming school year. The documentation details various guidelines and adjustments so that we may resume in person classes.

In addition to the school's proposed structure, I have attached various county and state regulations that have been provided to us, as well as a sample classroom size, one page

calendar and next year's school supply list.

Please review this paperwork carefully at your leisure. I will be holding open forum meetings this week and welcome your feedback and suggestions.
